Summary: This story takes place in new cortanin city from the view of human teenager:Skye moscane and of covenant scientist tune'kian

1. Prologue part 1

-Skye's PoV-

"so I guess this is my story then well ok I'll tell u everything about me but the story doesn't begin here."

3 years earlier

-covenant scientist Tune' Kianhs' PoV-

" ok subject hybrid is starting to show great amount of Strength in these past few days its starting to begin the covenants greatest soldier" as the Tune' kianhs' finishes writing the message in the log book,the hybrid wakes up.

-Hybrid's PoV-

"huh where am I ?"I think to myself "waits whats my name? hmm why can't I remember? should i remember or am I going crazy?" I start to look around from in the glass cylinder full of some sort of I see my hands have these big metal thing on them so i start to smash them into the the guy that's in the room with me starts to yell and tells me to stop but I don't. then is feel the glass weakening and hit it with both hands together, and it finally smashed though the glass then i fell unconcious into a deep sleep

2. Prologue part 2
